Regulations and Recommendations

How Our Minimums Work

No rental fees. You just need to spend the Food & Beverage minimum on menu options for your guests. Minimums do not include tax, gratuity, or 4.75% admin fee. If you don't spend the food & beverage minimum, no problem. We'll simply add a room fee for the difference.

Site Visits

If you would like to see any of the rooms in person (and we hope you do!), a site visit is the best option. Client and vendor site visits must be scheduled in advance so that we can make your visit productive & answer all your questions. Don't hesitate to request a time! We cannot guaranty access or accuracy of information for drop-ins.

Hours of Access

For an evening event access begins at 4pm. For a morning event access begins at 10am.

Storage and Deliveries

Please schedule all deliveries to arrive during your contracted rental window, when you can sign and accept them. We do not have a secure space for event materials to be stored either before or after your event. Acqua al 2 staff will not sign for any deliveries.

Production and Equipment

Acqua al 2 is a beautiful canvas and your creativity can completely transform the space – the sky is the limit. We want to give you the freedom to execute your vision, but we do have a few simple requests to keep our building safe and beautiful.

Hanging

We have steel I beams which provide multiple hang points throughout the space. Those are in place for a reason. Don't hang or clamp to any kind of light fixtures or exposed pipes or ductwork.

Permanent Alterations

No holes, anchoring, painting, or any other permanent changes may be made to the space.

Open Flame

Open flame is permitted, but candles must be glass enclosed to prevent wax drips on tables. Don't burn the place down.

The NO's

We like to say YES as much as possible, but here are a few things we can't budge on: • No painting • No spray chalk • No confetti • No glitter blasts • No smoke • No fog

How do I secure the Venue?

Once you've chosen your room and reviewed the details, there are 2 things to do to reserve the space.

1. Review and sign the contract.
2. Open the deposit request email and pay the deposit (50% of the food & beverage minimum). Deposit is not refundable.

Once you have done these steps, the space is yours!

What does the the different hours to rent the Garden Room means?

To accommodate larger parties in our main dining room we are allowing limited seating times, the first seating being at 5:00pm and the second seating to be at 8:30pm, your party can arrive at any time during the window type, however that will mean a shorter time allowed for your event.

Can I bring in my own cake?

Can I bring in my own alcohol?

No, State law prohibits any alcoholic beverages of any kind to be brought in.

Are the rooms wheelchair accessible?

Yes, we have an elevator and all rooms are ADA compliant.

Can I have a DJ or band?

Yes! When you book both rooms on the 2nd floor, DJ's and Bands are welcome. DJs, bands, and the use of audio visual equipment such as speakers or microphones are not permitted when only booking 1 room

Is there a projector and is it included?

faq

Can I have additional staff?

We will have the right amount of staff on site to work during your event, however, if you would like to have extra staff available for any reason a fee of \$70 per hour per additional staff will apply.

Can I continue my event past the time agreed on?

Upon availability and for an additional minimum increase you can extend the time of your event. Exceptions will apply.

Can I bring decorations and/or other equipment the day before or day of my event?

Upon availability and for an additional fee you can block the room to have access for decorations and other equipment prior to the event. \$450 the morning of the event or a 25% of the room minimum might apply.

Can I play my own playlist on your sound system?

If your event will require to have a live performance, conduct a speech, or use of any AV system including access to our sound system we recommend a buyout of the second floor. If any other events are being held simultaneously in the adjacent room we reserve the right to refuse the use of any electronics or AV system that can affect other guests experiences.

What is the parking situation for guests?

There are two parking garages nearby:

Calvert Garage: 19 St Johns St Parking (free after 6pm on weekdays and all day on the weekends.) Exit by the elevator & head toward the State Capitol. The restaurant is 3.5 blocks away.

Noah Hillman Parking Garage: (two entrances: 160 Duke or Gloucester or 150 Gorman Street). Exit on Gorman St and turn left, then turn right onto Conduit street and then right onto Main Street, keep walking and we will be right at the end of the street on the right hand side.
